Subject: 25_9195 Land at Woodhead Road, Honley

Hi Danielle

Please find attached a copy of the HDM highways comments for application No 25_9195 Land at Woodhead Road, Honley.

We consider the application to be acceptable on highways grounds with a standard condition and would also like to see the following footnote added

Footnote
The granting of planning permission does not authorise the carrying out of works within the highway and any works within the adopted highway fronting the property will need to be constructed under the correct legal agreement of the 1980 Highways Act. You are required to consult the Design Engineer (Kirklees Street Scene: 01484 221000) with regard to obtaining this permission and approval of the construction specification. Interference with the highway without such permission is an offence which could lead to prosecution.

Cheers

Chris
