TOWN AND COUNTRY PLANNING ACT 1990
Town & Country Planning (Tree Preservation)(England) Regulations 2012

NOTICE OF REFUSAL OF CONSENT TO FELL AND/OR PRUNE

Application Number: 2025/91934

In pursuance of its powers under the above mentioned Act and Regulations and the Tree Preservation Order made by the Kirklees Metropolitan Council (hereinafter called 'the Council') as Local Planning Authority and pursuant to the application submitted to the Council on 11-Jul-2025:-

THE COUNCIL HEREBY **REFUSES** TO CONSENT TO THE CARRYING OUT OF THE FOLLOWING OPERATIONS TO THE PROTECTED TREE(S) TPO No. 39/92

At: 1A, Sparks Road, Oakes, Huddersfield, HD3 4BX

Removal of T1 Sycamore

The **REASONS** for the Council's decision to refuse to grant consent are:

1. This tree is a prominent landscape feature in the locality and as such contributes significantly to public amenity consequently the grounds for its removal must be weighed against the amenity it provides.
2. Due to its location adjacent New Hey Road this tree contributes significantly to public amenity. The tree is in apparent good health and shows no signs of obvious major defect which would make it a threat to person or property.

3. Light loss would not be justification for the loss of this tree and the public amenity it provides.
4. Seasonal detritus associated with the tree is a nuisance, however the occurrence of detritus and the associated effort in clearing it is not in itself a reason to justify felling a tree that is a significant visual amenity.
5. There was no evidence submitted with the application to show that the tree poses any safety concerns or is dangerous as required in section 8 of the application.
6. There was insufficient evidence submitted with application with regards to investigation into alternative methods of remedial action.

In assessing compensation so payable, account shall be taken of:

- a) Any compensation or contribution which has been paid whether to the claimant or any other person in respect of the same trees under the terms of the said or any other Tree Preservation Order under section 29 of the Town and Country Planning Act 1962, or under section 203 of the Town and Country Planning Act 1990, or under the terms of any Interim Preservation Order made under section 8 of the Town and Country Planning (Interim Department) Act 1943, or any compensation which has been paid or could have been claimed under any provision relating to the preservation of trees or protection of woodlands contained in an operative scheme under the Town and Country Planning Act 1932; and
- b) Any injurious affection to any land of the owner which would result from the felling of trees subject of the claim.

A claim for compensation under the Order shall be in writing and shall be made by serving it on the Council, such service to be effected by delivering the claim at the offices of the Council addressed to the proper Officer thereof or by sending it by prepaid post so addressed, within 12 months from the date of the decision of the Council, or of the Secretary of State against the decision of the Council from the date of the decision of the Secretary of State on the appeal.
