Change of use from dwelling (c3) to residential children's home (c2)

Date Responded: 17/09/2025.

Responding Officer: D. Stainsby

Responding Ref: K11-1NW/8

RECOMMENDATION.

The proposals are considered acceptable to Highways Development Management.

This application seeks a change of use from dwelling (C3) to residential children's home (C2) at 91 Long Lane, Dalton, Huddersfield.

The proposal will accommodate one child at any one time and the maximum number of staff on duty will be two.

In effect, the facility will be similar to the use of the property as a family home, and it is not expected that the use will intensify vehicle movements or parking requirements over and above a normal residential property

The provision of waste collection will remain as existing and is unaffected by the proposals.

These proposals are therefore considered acceptable to Highways Development Management
