

KIRKLEES METROPOLITAN COUNCIL INVESTMENT & REGENERATION SERVICE

DEVELOPMENT MANAGEMENT

Town and Country Planning Act 1990 (as amended) – SECTION 70

DELEGATED DECISION TO DETERMINE PLANNING APPLICATIONS

Reference No:	2025/62/92074/E
Site Address:	4, Denby View, Thornhill, Dewsbury, WF12 0ER
Description:	Erection of front dormers
Recommending Officer:	Faiza Bano

DECISION – Conditional Full Permission

I hereby authorise the approval of this application for the reasons set out in the officer's report and recommendation annexed below in respect of the above matter.

Sarah Longbottom

AUTHORISED OFFICER

Date: 31-Oct-2025

HOUSEHOLDER DELEGATED REPORT

Application Number	2025/92074
Location	4, Denby View, Thornhill, Dewsbury, WF12 0ER
Proposal	Erection of front dormers (retrospective)
Publicity end date	15 th September 2025
Number of representations received	None.
Kirklees Local Plan Allocation/Designation	Unallocated, Bat Alert, LB Airport Consult, DEVELOPMENT_LOW_RISK_AREA
Extension to Time (EoT)	Yes -
Recommendation	Conditional Full Permission

	NO	YES
Applicant a Council Member or Officer in Investment and Regeneration (Skills and Regeneration)	✓	
Contrary to previous decision	✓	
Called in by Ward Member	✓	
Significant number of representations received	✓	

If 'No' to all above, proceed with a fast track report

By indicating that the development proposal complies with relevant national and local policy and the 'House Extensions and Alterations' Supplementary Planning Document, the planning officer is taking into account the information submitted with the application, any previous relevant applications, observations during any site visit, any comments received in connection with the application and any other considerations which are material to the decision.

Policy

National

National Planning Policy Framework (NPPF) July 2021
National Planning Practice Guidance (NPPG)

- NPPF Chapter 2 – Achieving sustainable development
- NPPF Chapter 12 – Achieving well-designed places

- NPPF Chapter 14 – Meeting the challenge of climate change, flooding and coastal change

Local

Kirklees Local Plan (LP):

- **LP 1** – Achieving sustainable development
- **LP 2** – Place shaping
- **LP 21** – Highways and access
- **LP 22** – Parking
- **LP 24** – Design
- **LP 51** – Protection and improvement of air quality

Supplementary Planning Document ‘House Extensions and Alterations’ (2021).

- Key design principle 1: Local character and street scene
- Key design principle 2: Impact on the original house
- Key design principle 3: Privacy
- Key design principle 4: Habitable rooms and side windows
- Key design principle 5: Overshadowing/loss of light
- Key design principle 6: Preventing overbearing impact
- Key design principle 7: Outdoor space
- Key design principle 8: Energy efficiency
- Key design principle 9: Construction materials
- Key design principle 10: Renewable energy
- Key design principle 11: Water retention
- Key design principle 12: Natural environment
- Key design principle 13: Vegetation and tree planting
- Key design principle 14: Drainage and flood risk
- Key design principle 15: Provision for parking
- Key design principle 16: Provision for waste storage
- Key design principle 17: Access for all users

	YES / NO	SUMMARY
Negotiations/Amendments during course of application	No	N/A
Parish/Town Council comments sought (Kirkburton)	No	N/A
Planning History	Yes	2005/91708: ERECTION OF SINGLE STOREY EXTENSION -

		FC - CONDITIONAL FULL PERMISSION
Consultations required	No	N/A

Assessment

The Kirklees SPD sets out that dormer window extensions should comply with certain parameters set out at paragraph 5.27 on page 32 (and listed below) and if they do not, they need to be justified:

Dormer windows should:	<u>Yes - COMPLY</u>	<u>No - JUSTIFY</u>
relate to the appearance of the house and existing roof;	Yes - regarding design, the proposed dormers would demonstrate a resemblance to the original dwelling in terms of roof design	
be designed in style and materials similar to the appearance of the existing house and roof;	Yes – dormers are designed with a pitched roof and would be symmetrical in both construction materials, design and size	
not dominate the roof or project above the ridge of the house;	Yes – proposed dormers do not dominate the roof.	
be set below the ridgeline of the existing roof and within the roof plane; and	Yes – proposed dormers are set below the ridgeline and would not project above the ridge of the house,	
be aligned with existing dormer windows on neighbouring properties in the same roof plane where relevant.		No – there aren't any other dormers along the street scene and is not considered relevant in this instance.

Design and Visual Amenity: Are the considerations in the following table acceptable?

Summary of local street scene/character:

The site to which the application relates to is number 4, Denby View, Thornhill, Dewsbury, WF12 0ER. The site consists of a semi-detached bungalow; constructed from red brick. The property benefits from a driveway, garage and a garden to the front and rear. The site and its surrounding area are wholly residential characterised by properties of the same character.

Consideration has been given here in terms of the proposals impact on the local character and street scene, including subservience, terracing and building line.

	Relevant key design principle (KDP) of the SPD, Policy in the Kirklees Local Plan and the NPPF	Further comments	✓ / X / N/A
Impact on the Local character and street scene	• KDP1 of the SPD • Policy LP24 Design (a) and (c) of the KLP • Chapter 12 NPPF	The extension is generally modest in scale and due to positioning of the applicant site, the proposed development would not appear overly prominent. The proposed development would be located to the front of the property and may have some impact on the character and street scene across the frontage. However, some properties do have elements, like solar panels, along the front roof plane. In terms of materiality, the dormers would be constructed using grey UPVC cladding and concrete tiles to match the existing. The proposed materials match the roof materials of the dwelling and is in keeping with the appearance and local character of the street	✓

		scene and is considered acceptable.	
Impact on original house	• KDP2 of the SPD • Policy LP24 Design (c) and (d) of the KLP • Chapter 12 of the NPPF	The original property would remain the dominant feature. The addition of the dormers will add an aesthetic appeal and practical benefits to the house, providing extra space, light and ventilation to the upper floors of the house.	✓
Height, scale and massing	• KDP 1 and 2 of the SPD • Policy LP24 Design (a), (c) and (d) of the KLP • Chapter 12 of the NPPF	The extension would project across the front of the property.	
Facing materials and detailing	• KDP 9 of the SPD • Policy LP24 Design (d) (iii) of the KLP • Chapter 12 of the NPPF	Facing materials to match existing – grey tiles and grey glazing on dormers.	
Roof style	• KDP 1 and 2 of the SPD • Policy LP24 Design (a), (c) and (d) of the KLP • Chapter 12 of the NPPF	Pitch roof - in keeping with the original.	
Window proportions	• KDP 1 and 2 of the SPD • Policy LP24 Design (a), (c) and (d) of the KLP • Chapter 12 of the NPPF	Small scale windows which would be in-keeping with existing building.	
Accessibility for all users	• KDP 17 of the SPD • Policy LP24 Design (f)	Private domestic extension.	

	Chapter 12 of the NPPF		
--	--	--	--

The design of the proposal is therefore acceptable and accords with policies LP24 of the adopted Kirklees Local Plan, the SPD and the NPPF.

Residential Amenity: Are the considerations in the following table acceptable?

The main properties affected are:

- 53 and 57 Edge Avenue – These dwellings are the neighbouring properties located to the rear of the applicant site. The erection of dormers will not impact these properties as they are located to the front.
- 2 Denby View – this is the adjoining bungalow. The proposed dormers are located away from the shared boundary and will have no impact on this property.
- 6 Denby View – this is the neighbouring property to the west. As above.
- The front dormers are unlikely to cause any significant harm in terms of residential amenity of the neighbouring properties given the level at which the works would be sited.
- There are no properties to the front of the application site.
- Having considered the above factors, the proposals are not considered to result in any adverse impact upon the residential amenity of any surrounding neighbouring occupants

	Relevant key design principle (KDP) of the SPD, Policy in the Kirklees Local Plan and the NPPF	Further comments	✓ / X / N/A
Impact on privacy of neighbours (to sides, rear and front)	- KDP 3 & 4 of the SPD - Policy LP24 Design (d) (iv) - Chapter 12 of the NPPF	Acceptable for the reasons set out above.	✓
Impact on light and outlook of neighbours (to	- KDP 4, 5, 6 of the SPD - Policy LP24 Design (b)	As above.	✓

sides, rear and front)	• Chapter 12 of the NPPF		
Remaining garden space of application property	• KDP 7 of the SPD • Policy LP24 Design (b) and (c) • Chapter 12 of the NPPF	The proposed development does not impact the garden space of this property.	✓

The proposal is therefore acceptable in terms of residential amenity and accords with policy LP24 of the adopted Kirklees Local Plan, the SPD and the NPPF.

Highways and Parking: Are the following acceptable?

	Relevant key design principle (KDP) of the SPD, Policy in the Kirklees Local Plan and the NPPF	Further comments	✓ / X / N/A
Impact on highway safety	• KDP 15 of the SPD • Policy LP22 Parking (f) of the KLP • Chapter 12 of the NPPF	Parking is predominantly provided on, even though in curtilage parking is available, which remains acceptable due to the location of this property and the neighbouring houses – off the main through-fare.	✓
Parking provision	• KDP 15 of the SPD • Policy LP22 Parking (f) of the KLP • Chapter 12 of the NPPF	Maintains appropriate access and off-street in-curtilage parking.	✓
Provision for waste storage	• KDP 16 of the SPD • Policy LP24 Design (d) (iv) • Chapter 12 of the NPPF	None shown on plans however, there is sufficient space within the red line boundary to allow for storage on site. Condition not considered necessary.	✓

The proposal is therefore acceptable in terms of highways and parking and accords with policies LP21 and LP22 of the adopted Kirklees Local Plan, the SPD and the NPPF.

Other matters: Are the following acceptable?

	Relevant key design principle (KDP) of the SPD, Policy in the Kirklees Local Plan and the NPPF	Further comments	✓ / X / N/A
Impact on trees	• KDP 13 of the SPD • Policy LP24 Design (d) (i) (iv) Policy LP33 Trees • Chapter 12 of the NPPF	N/A	✓
Impact on ecology	• KDP 12 of the SPD • Policy LP30 • Chapter 15 of the NPPF	N/A	✓
Carbon Budget / Climate change statement	• KDP 8, 9, 10 & 11 of the SPD • Policy LP51 • Chapter 14 of the NPPF	Small scale domestic development to an existing dwelling. As such, no special measures required in terms of the planning application with regards to carbon emissions. A Climate Change Statement has been submitted with this application.	✓
Drainage and Flood Risk	• KDP 14 of the SPD • Policy LP24 (d) (vii), LP27 and LP34 of the KLP	The rear garden and landscaping would be retained to allow for run-off. The site is not located within an identified Flood Risk Zone 2 or 3 area.	✓

The proposal is therefore acceptable in terms of the above listed other matters and accords with policies set out in the Kirklees Local Plan, the SPD and the NPPF.

No representations received as a result of publicity.

The NPPF has introduced a presumption in favour of sustainable development. The policies set out in the NPPF taken as a whole constitute the Government's view of what sustainable development means in practice.

This application has been assessed against relevant policies in the development plan and other material considerations. It is considered that the development would constitute sustainable development and is therefore recommended for approval.

Recommendation: **CONDITIONAL FULL PERMISSION**

Application Number:

Officer Recommendation: Approve

1. The development hereby permitted shall be carried out in complete accordance with the plans and specifications schedule listed in this decision notice, except as may be specified in the conditions attached to this permission, which shall in all cases take precedence.

Reason: For the avoidance of doubt as to what is being permitted and to accord with Policies LP01, LP02, LP21, LP22 & LP24 of the Kirklees Local Plan, Principles 1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11 & 15 of the Council's adopted House Extensions & Alterations Supplementary Planning Document and Policies within Chapters 2, 9, 12 and 14 of the National Planning Policy Framework

2. The external walls and roofing materials of the dormers hereby approved shall in all respects match those used in the construction of the existing building.

Reason: In the interests of visual amenity and in accordance with Policies LP01, LP02 & LP24 of the Kirklees Local Plan, Principles 1 and 2 the Council's adopted House Extensions and Alterations Supplementary Planning Document and policies within Chapter 12 of the National Planning Policy Framework.
