Certificate of Compliance

Highways Reference: K61069B

Structure Name: Modifications to the existing at embankment adjacent to the Starbucks & KFC at Woodhead Road, Birstall, UK

Contractor Name: Stonedale

Structural Engineer: Conor Keane
SDS (Structural design Solutions) Ltd

Declaration:

Based on the structural design carried out by SDS, and information provided by the contractor regarding the execution of the works, it is confirmed that the structural elements of the above-mentioned project have been constructed substantially in accordance with the structural drawings, calculations, and specifications prepared by SDS and approved under reference [Ref 61069B].

It is further confirmed that:

- Structural materials specified in the design comply with the project specifications and relevant standards.
- The construction has followed the structural design intent as issued in the structural drawings and calculations prepared by SDS.
- As-built records have been prepared and are attached for review.

This certificate is issued based on the design documentation prepared by SDS and information provided by the contractor.
