<p>I wish to object to the proposed change of use for number 17 Far view crescent.. My main concern to such a change is the amount of traffic which would be generated. My understanding is that the proposals are for 4 residents with 1 to 1 staffing plus a site manager..the unit would also require catering and cleaning staff..meaning at anyone time there will be several members of staff on duty with associated vehicles.. Also such a facility would generate service traffic...ie catering deliveries laundry deliveries medical and drug deliveries and finally visits by residents family and friends Such a substantial amount of traffic on a small residential road with limited access/parking would be severely detrimental to the adjoining properties and the estate as a whole..</p> <p>The off road parking at number 17 is for 3 cars at best so in no way adequate and their staff policy is to park on nearby roads which is in itself would cause traffic / parking problems and by who would such a policy be policed..in practice such a undertaking would be ignored..</p> <p>I strongly object</p>
