Subject: Application number 2025/62/92103/W

My concerns with regard to this application are the logistics. There is minimal off crescent parking at the premises for 2/3 small vehicles. The narrow crescent is approximately 17 ft wide so not realistic for staff, visitor or commercial traffic to park out side neighbouring domestic housing.

It is not realistic to expect vehicular traffic visiting this property to park away from Far View Bank or Crescent. It is difficult to envisage how this policy would be policed.

28 Far View Bank.
