| <p>I wish to express my support for the proposed two-storey side extension and the porch extension at 50 Birkby Lodge Road. The plans are thoughtfully designed and complement the character of the neighbourhood.</p> <p>The development makes efficient use of the space available while maintaining a balanced appearance that will not overwhelm the property or neighbouring homes. The additional living space will clearly benefit the occupants, and the updated porch adds a welcoming and attractive feature to the front of the house.</p> <p>Overall, I believe this proposal will enhance the property without negatively affecting the street scene, local amenities, or traffic safety. I therefore fully support this application and hope it will be approved.</p> |    |
