Consultation Response from KC, Highways Development Management
2025/92139 The Old Dewsbury Library, Wellington Road, Dewsbury, WF13 1HN
Alterations to former library to form 14 apartments with associated internal and external works (Listed Building within a Conservation Area)
Date Responded: 31/03/2026 Responding Officer: D. Stainsby Responding Ref: K15-2NW/25

This application seeks approval for the alterations to former library to form 14 apartments with associated internal and external works at the Old Dewsbury Library, Wellington Road, Dewsbury, WF13 1HN

No car parking spaces are proposed. However, the site is within Dewsbury Town centre approximately 300m from the bus station and 200m from the train station.

As a result, given the sustainable town centre location and the fact that parking on the surrounding streets is restricted by Traffic Regulation Orders, Highways Development Management have no objection to these proposals.

Secure cycle storage has been proposed and is acceptable

WASTE STORAGE AND COLLECTION.

No bin store and/or bin collection/presentation is shown on the proposed plans.

A bin collection/presentation point should be located adjacent to the public highway and must not obstruct the adopted highway or access.

Details of the waste collection for the proposals should be provided, with the location of a waste collection presentation point being clearly marked on a drawing in such a location that is easily accessible to the collection team and where it will not obstruct the access or the adopted highway for road safety reasons.

Details for waste storage requirements can be found in the document “Waste Storage and Collection Guidance for New Developments” which is available from waste.planning@kirklees.gov.uk.
Or at https://www.kirklees.gov.uk/beta/planning-applications/guidance-and-advice-notes.aspx).
