User comments

Type of comment: An objection	
Do you wish your comments to be published on the website anonymously?	Yes
<p>The application appears to have a number of inaccuracies, including, but not limited to, existing and new vehicular access and car parking.</p> <p>There are a number of trees which would need to be felled to accommodate the new vehicular access and parking.</p> <p>We don't feel the application is transparent or truthful, and therefore not an honest representation of intent.</p>
