RE: Ref 2514. Orion Homes, Whitehall Road West, Birkenshaw - S278 Approval Outlook item  
23-341-100-005 rev G - Visibility Splays.pdf .pdf File

Yes, acceptable for S38.

Thanks

Jon

Hi William,

I have granted technical approval for Condition 18 and the developer has paid a cash bond for the pedestrian refuge to be relocated by Kirklees Councils Highway Operations (see attached email).

With regards to Condition 17, the attached drawing indicates that the required visibility splays can be achieved without the need to set back the boundary wall. I assume this is acceptable to the S38 Team – Jon can you confirm?

Regards
