

Town and Country Planning Act 1990

**Town and Country Planning (Development Management Procedure) (England)
Order 2015**

REFUSAL OF PERMISSION FOR DEVELOPMENT

Application Number: 2025/62/92167/W

To: Jwad Ashraf,
Trend Architecture
103, Bradford Road
Fartown
Huddersfield
HD1 6DZ

For: L Ali

In pursuance of its powers under the above-mentioned Act and Order the KIRKLEES COUNCIL (hereinafter called "The Council") as Local Planning Authority hereby refuses to permit:-

ERECTION OF SINGLE STOREY REAR EXTENSION WITH ROOM IN ROOFSPACE TO CREATE NEW SINGLE DWELLING/FLAT (WITHIN A CONSERVATION AREA)

At: 94, ST JOHN'S ROAD, BIRKBY, HUDDERSFIELD, HD1 5EY

In accordance with the plan(s) and applications submitted to the Council on 07-Aug-2025. The reasons for the Council's decision to refuse permission for the development are:

1. The submitted plans confirm a poor standard of amenity to the existing first floor flat at 94 St Johns Road. Bedroom 2 would have a restricted outlook and would receive limited light due to the location, height and scale of the proposed single storey rear extension. Therefore, the proposal would provide an unacceptable standard of living for occupants of the flat failing to accord with Policy LP24(b) of the Kirklees Local Plan, Principles 6 and 16 of the Council's Housebuilders Design Guide SPD, and Paragraph 135(f) of the National Planning Policy Framework.

2. The submitted plans show a cramped layout resulting in a poor standard of amenity to the occupants of the proposed ground floor flat. Due to the contrived internal layout which does not have windows, the bedroom would have no outlook and would receive no natural light. Therefore, the proposal would provide an unacceptable standard of living for future occupants and would fail to accord with Policy LP24(b) of the Kirklees Local Plan, Principles 6 and 16 of the Council's Housebuilders Design Guide SPD, and Paragraph 135(f) of the National Planning Policy Framework.

3. The application provides insufficient information to demonstrate that a satisfactory layout could be provided on site which allows for the adequate storage of waste for the mixed residential and commercial uses. As such, the development proposed would be contrary to with Policies LP15, LP21 and LP24 of the Kirklees Local Plan, Principle 19 of the Council's Housebuilders Design Guide SPD, and the National Planning Policy Framework.

Pursuant to article 35 (2) of the Town and Country Planning (Development Management Procedure) Order 2015 and guidance in the National Planning Policy Framework, the Local Planning Authority have, where possible, made a pre-application advice service available, complied with the Kirklees Development Management Charter 2024 and otherwise actively engaged with the applicant in dealing with the application.

Although the Kirklees Development Management Charter together with the National Planning Policy Framework and the DMPO 2024 encourages negotiation/engagement between Local Planning Authorities and agents/applicants, this is only within the scope of the application under consideration. In this instance, the alterations required would be beyond the scope of the application. As such, no amendments were sought thereafter.

Appeals to the Secretary of State

- If you are aggrieved by the decision of your Local Planning Authority to refuse permission for the proposed development then you can appeal to the Secretary of State under section 78 of the Town and Country Planning Act 1990.
- If an enforcement notice is served or has been served relating to the same or substantially the same land and development as in your application and if you want to appeal against the local planning authority's decision on your application, then you must do so within:
 - i) 28 days from the date of this notice where the enforcement notice has been served,
 - ii) 28 days of the date of service of the enforcement notice or,
 - iii) the specified period starting from the date of this notice,whichever period expires earlier.
- If you want to appeal against your Local Planning Authority's decision then you must do so within the specified period, starting on the date of this notice.
- The "specified period" is 12 weeks where the development relates to a "minor commercial application" as defined within the Town and Country Planning (Development Management Procedure) Order 2010 (as amended), or 6 months in any other case.
- Appeals must be made using a form which you can get from the Secretary of State at Temple Quay House, 2 The Square, Temple Quay, Bristol BS1 6PN (Tel: 0303 444 5000) or online at [the Planning Inspectorate website](http://www.planninginspectorate.gov.uk)
Further information on the Planning Appeal process can be found online at [the Planning Inspectorates website](http://www.planninginspectorate.gov.uk)
- You must use the correct Planning Appeal Form when making your appeal. If requesting forms from the Planning Inspectorate, please state

the type of application that the appeal relates to so they can send you the appeal form you require.

- The Secretary of State can allow a longer period for giving notice of an appeal, but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.
- The Secretary of State need not consider an appeal if it seems to him that the Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.
- In practice, the Secretary of State does not refuse to consider appeals solely because the Local Planning Authority based their decision on a direction given by him.

Please note, only the applicant possesses the right of appeal.

Purchase Notices

- If either the Local Planning Authority or the Secretary of State refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances, the owner may serve a purchase notice on the Council. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.
