We are the connecting house to this property. If this is approved it will block light from entering into our home. We currently have a conservatory with a upvc roof not a glass one therefore this will block light entering our conservatory and kitchen area. Our conservatory has heating, we use it as a dining room and my son's playroom. 397 Soothill lane WF17 6es reference number of the application - 2025/62/92263/E
