<p>This property has a covenant placed upon it whereby it cannot be used for anything other than residential use.</p> <p>The owner made ZERO attempt to communicate or consult with the local community and we fear this attitude would continue if granted planning permission.</p> <p>This change of use would have a significant detrimental impact on the local community.</p> <p>The location right next to an industrial park and near to a busy road is not suitable for vulnerable children.</p> <p>The applicant has also lied on his website by stating that the children would have access to private sports facilities. He is well aware that this is for residents only.</p>
