<p>As I understand it the deeds of the properties on this estate prohibit the use of the homes being used solely for business purposes. The applicant is a non resident and as such this house will be used solely for business purposes. I understand these types of homes for children invite anti-social behaviour, the business will make a profit from the use of the Woodland Glade facilities. The deed of covenant for 102 Redwood Drive does not allow the proposed change of use for new Business activity. So planning permission should simply be refused.</p>
