<p>I strongly object to the application for change of use from a dwelling to a residential care home for children. The applicant has already set up a website advertising the facilities available at a given address, clearly raising safeguarding issues. The facilities advertised are for exclusive use of residents of this estate, as governed by a covenant all residents are legally bound to agree to. I am very concerned as to the impact a children's home will have on the living conditions of everyone on the estate. Many residents have raised children and grandchildren on an estate with a strong sense of community, friendship. There can be no doubt that the whole environment will be changed immeasurably should the application be successful.</p> <p>I urge you to reject this application.</p>
