<p>I object to the application on several grounds but mainly the area in which it is situated is totally out of character with the neighbourhood .</p> <p>Redwood drive is essentially a long cul-de-sac and the property in question is the very last one on the estate.</p> <p>The entrance to the estate is through a wood which is used by none residents to walk their dogs and is often restricted to a single carriageway by their parked cars, this would severely restrict any emergency services from reaching the property quickly and safely and means travelling through a mostly quiet estate .</p> <p>The main Bradley road in itself is often one big traffic jam in both directions and with the added traffic from the Meadow Vale estate in construction this will be a nightmare.</p> <p>Misleading information and a total disregard for the local communities thoughts demonstrate this is not an upstanding resident .</p> <p>For these reasons I do not think this is a suitable location to house vulnerable children and object to the application.</p>
