<p>I am objecting to the application because of the following issues. Under the deeds conditions no property on the estate can be used solely for business and should be maintained as a private residence. Secondly we in a unique position here where leisure facilities are paid for and maintained by residents and looking at the website of the applicant it implies that these would be available to the children in your care. However this is not accurate as there are rules regarding the use of the facilities by children and a care home environment would probably not be acceptable as no adults would be in fact resident. This would be a matter for the committee to decide. I am also concerned by the antisocial behaviour that this application could bring to our community</p>
