<p>I am writing to formally object to the above planning application. The specific proposal raises serious concerns, which should be considered when making the decision-making process</p> <p>The reasons are they will be an increase in traffic through the residential estate from staff, care works, family members, and supply vehicles.</p> <p>An increase in noise due to what i mentioned above</p> <p>This is against the deed of Covenant, and with us being new residents, we took this into account when purchasing our family property.</p> <p>The Woodland Glade Sport Facilities are for residents only, and he is advising on the website that the staff and children will be allowed to use these facilities, which is misleading information.</p>
