<p>I am aware that the change of use is against the deed of covenant for all properties on the estate. Disregard of these legal covenants is the tip of the iceberg on the way to anarchy.</p> <p>This estate is regarded as a quiet and safe environment. It is likely that the change of use proposed will encourage</p> <ul style="list-style-type: none">• groomers looking to exploit vulnerable children• Illegal drug sales• Antisocial behaviour including gangs of teenagers, threatening behaviour, violence, vandalism, theft and drug use <p>Children who already live on the estate will be vulnerable to all the above</p> <p>Many people including myself, who are not resident on the estate but visit family and friends or walk their dogs through the estate will feel vulnerable whether driving or walking on foot. I am a 68 year old widow and I can assure you that the threat of these untoward occurrences happening to myself or my family is as damaging to mental health as the deed itself.</p>
