<p>Woodglade is a residential estate and is protect by a deed of covenant which every property owner agreed to and signed on purchase of their property to ensure Woodland Glade would remain residential.</p> <p>Approving this application goes against this covenant.</p> <p>Also the proposed facility would result in further traffic from staff and other agency workers which would be required to visit. It would also increase the need for parking facilities.</p> <p>I have also concerns around noise, anti social behaviour and safe guarding issues for the current residents of Woodland Glade.</p>
