<p>I object to the above planning application this is primarily due to noise and disturbance to other properties on Woodland Glade.</p> <p>There would be an increase in traffic using the estate and they would need to drive through the whole estate to get to the proposed children's home. This would be staff, social workers other agencies and visitors required to visit children in care.</p> <p>I also have concerns around anti social behaviour and the impact this would have on current residents especially the children.</p> <p>There is also a deed of covenant on the property that it shouldn't remain residential for at least 70 years and this should be taken into account and adhered to.</p>
