<p>I thoroughly object to planning permission being given to this application my reasons are as follows. This application is for a business which contravenes the Dead of Covenant already in place for the estate which restricts residential homes on the estate being used for business purposes. Surely this application contravenes this and the applicant has already produced a website advertising the business. If permission is given it would have a detrimental impact on the neighbourhood that being antisocial behaviour, increased traffic, parking pressures, increased noise, loss of privacy and will have a massive effect on neighbouring properties throughout the estate.</p>
