<p>1. This planning application totally contravenes the covenant that all residents signed/agreed to regarding the estate when purchasing properties. If this was to go ahead it could be a Green light for further changes from residential use to business,</p> <p>2. Noise and possible antisocial behaviour, especially if anything like children's home. The location is at the very top end of the estate, a dead end which could potentially become a gathering spot for people who may try visit residents who aren't official visitors!</p> <p>3. Extra traffic driving thro the whole of the estate at all times of day and night, including staff, visitors, police, social workers etc. increase on parking spaces and noise</p> <p>4. Advertising the home already Templar Hive stating Ofsted regulated/ongoing..... no trace of this. Total disregard for Planning Procedure, advertising use of facilities, which as a business they wouldn't be allowed to use.</p> <p>5. Detrimental impact on the neighbourhood, safeguarding issues for current residents children, grandchildren elderly people, if the people were to use the facilities obviously background would not be known.</p>
