<p>I am sympathetic to the needs of children who would use this facility but believe it would be at the detriment to the neighbourhood in which it is situated and the local community.</p> <p>It would lead to increase noise and disturbance with a likely increase in anti social behaviour.</p> <p>In addition the covenants on the property restrict the use to that of a domestic/residential dwelling and the use for business purposes is forbidden and should planning be passed a legal challenge would be made to prevent this going ahead.</p>
