<p>I object to the planning application for a change of use of 102 Redwood Drive from a dwelling (use class C3) to residential care home (use class C2) on the following grounds:</p> <ol style="list-style-type: none">1. Safeguarding of children and vulnerable adults - the environment with a business park, woods and known drug taking opposite the location2. Traffic and highways safety - any traffic to the property has to go through the whole estate (one way in and out)3. Noise and disturbance - the nature of the troubled children who will be placed there4. Loss of privacy and effect on the area - we are an 'exclusive' residential area and pay a monthly fee for that privilege5. Deed of covenant on all our properties mean we cannot change from residential to business use. <p>I think that children's homes should be run by the council and not individuals who are making a profit and have no experience.</p>
