<p>I want to object to this planning permission for the following reasons,</p> <ol style="list-style-type: none">1. The negative impact this will have on our community as these homes can house troublesome teenagers who have not had successful placements elsewhere. Residents near other care homes have complained that there have been incidents of drug taking, grooming, anti-social behaviour and even violence. This would cause a disturbance in our neighbourhood.2. The increase is traffic, parking and noise that such a facility would bring at all times of the day and night.3. That it clearly states in the deeds of all houses on our estate that no property can be turned into a business. This care home is a business.4. That it clearly states in our deeds that nothing can be done to our properties that cause a nuisance, annoyance or injury – this facility has a high probability of causing all 3 of these.
