<p>I wish to object as I feel that this proposal if successful would :</p> <p>Be a detrimental impact on neighbouring properties and the whole Woodland Glade area. From evidence from other such establishments this includes-anti social behaviour, drug related crime and activity, graffiti, vandalism, - the Ashbrow ward has enough evidence of this already!</p> <p>It would add an increase in the number of various vehicles to a childrens home (staff cars, social workers, carers, visitors, possible home tutors, delivery's, etc) through the estate, as it is at the moment the only entrance and exit onto the estate gets extremely busy exiting onto Bradley Road and causes queues & any increase will impact this further.</p> <p>The home is currently a private home as are all the "buildings" on Woodland Glade, this would be a change to a 'business' establishment on a residential estate which is not what the estate was built for. The people that live on Woodland glade want to live in a residential community not one that includes businesses- this change would also set a precedent for others in the future.</p>
