<p>I think the planning to turn this into a children's home is not appropriate for this area. Due to the fact there will be increased volume of traffic driving in and out of the estate to which there is only one entrance in and out. Making it difficult for residents to park and also making it more dangerous for our children who quite often play on the roads on the estate. And this increase in traffic will ultimately increase noise on the estate which is at the moment a nice peaceful place to live. I do not wish my address to be published.</p>
