

Templar Hive Children's Care – Good Neighbourhood Charter

At Templar Hive Children's Care, we are committed to being good neighbours and positive members of the Woodlandglade community. This charter sets out the promises we make to our neighbours and the standards we hold ourselves to in order to maintain harmony, respect, and trust.

1. Respect

We will always respect our neighbours' right to enjoy their homes peacefully and without disturbance.

2. Communication

We will keep open channels of communication with neighbours and listen to any concerns raised.

3. Parking & Access

We will ensure staff and visitors park responsibly, avoiding obstruction to driveways or estate roads.

4. Noise

We will manage noise levels within the home and encourage children to be considerate in the community.

5. Safety

We will supervise children to ensure they are safe and do not pose risks to themselves or others in the community.

6. Cleanliness

We will ensure the property and surrounding area are kept clean, tidy, and free of litter.

7. Community Spirit

We will look for opportunities to contribute positively to the local community, including through participation in estate activities or local events.

A sanctuary of care, purpose, and belonging

We believe every child deserves to grow up in a safe, welcoming environment. By being considerate and responsible neighbours, we aim to build positive relationships with the Woodlandglade community and demonstrate our shared values of care, respect, and responsibility.
