1. We have restricted covenants on our properties to prevent the change of use to business. That's to keep the area residential 2. Highway and parking issues are already an issue, this would make the issue worse 3. We will be subject to noise and disruption 4. We will be subject to anti-social behaviour 5. We live on a small residential estate, this business will not be in keeping with the area 6. This application could harm the welfare of other children in our area 7.For many years this area has been used on a regular basis for anti-social behaviour which has been reported to police and local councillors. There is frequent evidence of drug use and sexual behaviour. Please consider all the above in relation to not granting planning permission
