<p>I have two grand daughters who live in close proximity to the proposed application. I do feel for their safety if this plan was accepted.</p> <p>looking at the worst scenario you could have 3 teenagers living in the same property. The strongest parents would struggle to look after and control them, never mind a carer who is likely to be on minimum wage. They are likely to be hanging around the streets doing their own thing and no one knows what background they have previously come from.</p> <p>It's a magnet for the grooming gangs once they know who is living in the property!</p> <p>Permission should not be granted!</p>
