<p>This application involves the running of a business from this address. This application is therefore not in keeping with what is a development of family dwellings.</p> <p>In addition to the above, the likely additional traffic resulting from the visitors of all types attending the address will result add the volume of vehicles passing along the single means of access to the estate.</p> <p>Further the potential for unsupervised children both roaming around the estate and accessing and potentially damaging the facilities that the existing residents pay for by means of site fees is of significant concern</p>
