<p>I have lived in Woodland Glade for many years and want to support the application at 102 Redwood Drive.</p> <p>The house will remain a residential property, with three children and carers living there as a small household. There are no building changes, and day-to-day use will be no different from any other family home in the area.</p> <p>I know from living here that parking is not the problem some people suggest. Many families have two or more cars, and this property has space on the drive as well as a garage. Staff work shifts, so there won't be a sudden build-up of traffic, and occasional visitor parking on the road is no different from what already happens across the estate.</p> <p>This is a modest proposal that fits with the character of the neighbourhood. It will give children a safe home, run to professional standards, and will not cause any negative impact to the estate.</p>
