It will cause harm to wildlife, block the view and sunlight of both the over and under dwellings at the opposite side of the road. Increased traffic, parking, noise. also I was led to believe by other residents in the block 190 a/b/c /192 that their deeds stipulated that they owned the land at the side of the river. That's why there's a stairway down. also the garage belongs to someone else. Also on the maps created they have missed two house numbers off.
