Details of the pre-application advice received

It was agreed that the Applicant would change the appearance of the wall along the A58 through "painting or tinting" in order to match the appearance of the approved artificial stone used throughout other areas of the development. It was also agreed that the Applicant would provide planting in front of the wall to "screen and soften" the appearance of the wall, and, on suggestion by Mr Grayson, provide "public artwork", in the form of a "welcome stone" at the prominent corner of the retaining wall.

The application hereby made contains the agreed changes.
