

Northern Powergrid Holdings Company
 The position of our equipment is shown on the plan as accurately as possible. It may have changed since the plan was produced. Therefore the position of our equipment and those services which may not be shown should be established on site. Electricity cables not owned by Northern Powergrid Holdings Company may be laid in this area and may not be shown on the plan. Where possible cables are shown, the information should not be regarded as accurate and should be used for guidance purposes only. In all cases, accurate information should be obtained from the owner of such cables prior to the commencement of work on site.

Reference should be made to HSE Guidance
 H5047 Avoiding Danger from Un-grounded Services and GS1 Avoiding Danger from Overhead Power Lines
