## OFFICER RECOMMENDATION

### DISCHARGE OF CONDITION A.4 , SCHEDULE 2, PART 1, CLASS A GENERAL PERMITTED DEVELOPMENT ORDER

#### **1. Procedural Matters**

Prior notifications for the erection of single storey rear extensions to dwellings are considered against the requirements as set out by the Town and Country Planning (General Permitted Development)(England) Order 2015 (as amended) Schedule 2, Part 1, Class A, condition A.4.

Proposals pursuant to Class A are permitted subject to limitations set out in paragraph A.1 and in the case of Class A.1 (g) subject to the discharge of condition A.4. This proposal relates to development pursuant to Class A where condition A.4 is engaged and for the purposes of this assessment only the limitations for Class A.1 (g) and requirements of condition A.4 are considered. Other limitations within Class A are not considered other than where, in the opinion of the Local Planning Authority, the development does not comply with the limitations within Class A of the Order. Ultimately the responsibility to ensure the development is carried out in full accordance with any planning permission rests with the applicant or property owner/occupier.

#### Limitations for Class A.1(g) Development

Is the site within a Conservation Area, Article 4 or SSI area?	No
Is any part of the proposal clearly outside the curtilage of the dwellinghouse?	No
If the house is detached and from the information submitted, does the extension extend more than 8 metres from the rear of the original dwellinghouse?	N/A
If the house is not detached and from the information submitted, does the extension extend more than 6 metres from the rear of the original dwellinghouse?	The proposal is semi-detached by the extension has a projection of 4.75 metres.
Does the proposal exceed 4 metres in height?	No

Have permitted development rights been removed from the property?	No
-------------------------------------------------------------------	----

#### Condition A.4

As part of the notification procedure, the Local Planning Authority notify owners or occupiers of adjacent premises of the proposed development by serving notice and allowing 21 days for objections to be made. The Local Authority shall take into account any representations made as a result of the notice given.

Consultation start date : 26<sup>th</sup> August 2025

Consultation end date : 16<sup>th</sup> September 2025

#### **1. Objections**

1.1 Summary of representations: -None received

#### **1. Assessment**

The property features an existing lean-to rear projection which does not appear to be part of the original dwellinghouse, as it is absent from historic mapping held by the Council dated 1933, 1955, and 1965. The structure first appears in aerial imagery around the year 2000. According to the submitted information, the existing addition is proposed to be demolished to facilitate the construction of the new rear extension. With the removal of this projection, the proposed extension would project 4.75 metres from the rear wall of the original dwellinghouse.

No requirement to assess amenity as no representations have been received.

#### **2. Recommendation**

Prior Approval is not required.
