Dear Sirs

Application 2025/62/92396/W
Rear of 14 Lingcroft Avenue HD5 8DS

Please receive this letter as my formal objection to the above planning application. Construction of the proposed dormer bungalow would be very close to my property within approximately 6 metre.

Consequently overlooking my house and occasionally overshadowing.

It is considered there are valid and justified reasons as they infringe and intrude on my privacy.

Approval of the planning would be completely unreasonable therefore please reject the application.

Yours Faithfully
