For the attention of: Victor Grayson – Case Officer

Kirklees Council

[By email: DC.Admin@kirklees.gov.uk]

16 September 2025

Dear Victor

Re: 2025/44/92404/E

Discharge of details reserved by condition 12 (coal works validation) on previous permission 2025/90090 for variation of conditions 2 (plans and specifications), 13 (remediation), 14 (remediation) and 22 (ground conditions) of previous permission 2021/90357; East Bierley Community Sports Association, Hunsworth Lane, East Bierley, BD4 6PU

Thank you for your notification of 27 August 2025 seeking the views of the Coal Authority on the above. However, you will note that we were previously able to recommend the discharge of Condition 12 to 2021/90357, which was confirmed in a letter dated 1 August 2023.

On account of the above, we raise **no objections to the LPA discharging Condition 12 on 2025/90090.**

Please do not hesitate to contact me if you would like to discuss this matter further.

Yours sincerely

Chris MacArthur

Chris MacArthur *B.Sc.(Hons), DipTP, MRTPI*

Disclaimer

The above consultation response is provided by The Coal Authority as a Statutory Consultee and is based upon the latest available coal mining data on the date of the response, and electronic consultation records held by The Coal Authority since 1 April 2013. The comments made are also based upon only the information provided to The Coal Authority by the Local Planning Authority and/or has been published on the Council's website for consultation purposes in relation to this specific planning application. The views and conclusions contained in this response may be subject to review and amendment by The Coal Authority if additional or new data/information (such as a revised Coal Mining Risk Assessment) is provided by the Local Planning Authority or the Applicant for consultation purposes.

In formulating this response The Coal Authority has taken full account of the professional conclusions reached by the competent person who has prepared the Coal Mining Risk Assessment or other similar report. In the event that any future claim for liability arises in relation to this development The Coal Authority will take full account of the views, conclusions and mitigation previously expressed by the professional advisers for this development in relation to ground conditions and the acceptability of development.
