

Consultation Response from WY Archaeology Advisory Services**2025/92443 Huddersfield Open Market, Brook Street, Huddersfield, HD1 1DY**

External works to Market Building and wider site including alteration and demolition of modern additions to the Market building, new glazed screens, new WC and welfare facilities, provision of services and lighting including associated works, remodelling to the stone annexe, alterations to catering facilities, and self-contained commercial units, works to floor surfaces of Market Building. Use of Market Building and Market Yard for a mix of uses (sui generis) including retail, hot food takeaway, drinking establishment, restaurant / café uses, market office, public welfare facilities, storage facilities as well as provision of areas that provide a mix of fixed and flexible indoor and outdoor market stalls. Creation of areas for open market and market yard, siting of associated structures, installation of new fixed market stalls demolition of external bin store and creation of waste compound area, creation of new pavilion, storage compounds, vehicular parking, remodelling and surfacing of areas of hardstanding, street furniture, car park layout, landscaping and associated works (Listed Building within a Conservation Area)

Date Responded: 11/9/25**Responding Officer: Glyn Davies****Responding Ref:**

I have reviewed the submitted Heritage Statement and can confirm that the market building is a significant feature in the Huddersfield conservation area. The proposed works to the building are designed to respect the existing structure and its historic significance while impact on below ground archaeology should be minimal. No archaeological works are considered necessary in this case.
