Huddersfield Open Market, Brook Street, Huddersfield, HD1 1DY**

Dear Sir/Madam,

I am writing to formally object to the above planning application/s.

I am a big fan of the autojumble held in the building by Phoenix Fairs, both me and my Adult son Kye attend this event regularly, Kye has Autism and this is one of the very few places he enjoys, feels comfortable, welcome, and absolutely loves to visit.

I understand that it will have to close if the alterations take place.

While the market would certainly benefit from some general upkeep—such as a fresh coat of paint—there is nothing wrong with the building itself.

The proposed loss of stalls would make it impossible for the Autojumble to continue operating as it does now.

In fact, stalls have already been lost recently due to the uncertainty of the situation over the past few years.

I therefore urge the planning committee to reject this application.
