Address of the site or building:	Huddersfield Open Market, Brook Street, Huddersfield, HD1 1DY
Postcode:	HD1 2NF

User comments

Type of comment: An objection	
Do you wish your comments to be published on the website anonymously?	Yes
I think the Huddersfield outdoor market stalls are a key part of the town, and they should be protected. We're hoping for the town to become more thriving and the things that work well should remain when this happens. Lots of elderly people (who don't necessarily have access to this form) also feel the same - please protect the stalls. Many thanks.
