<p>The application itself has inaccuracies. It refers at one point to the property as detached. It is a semi detached property. It says there is no parking. There is parking. It references Dewsbury sports centre as a local amenity to help the children. It has closed down. It mentions crows nest park as a local amenity again. This is open but a man was murdered there recently. There are muggings in there and for many locally it is a no go area and not somewhere you would take children. This whole area is not safe. There is anti social behaviour almost nightly. Suggesting to bring vulnerable children to live here is an awful idea. They deserve a safe place, not here.</p>
