Party Walls
 The Party Wall Act etc. Act 1996 came into effect on 1st July 1997. If someone is planning to carry out building work which involves work on an existing wall shared with another property, or new building on the boundary with a neighbouring property, or excavating near a neighbouring building, they should find out whether that work falls within the scope of the Act. If it does, they must serve the statutory notices on all affected owners. The government has produced an explanatory leaflet which is available from planning services.
