Details of the pre-application advice received

"Should a planning application for a rear extension to the application property be submitted, it is considered likely that officers would be able to support it.
The principle of such development on the site is considered acceptable and it is considered a scheme which is suitably designed could be achieved to ensure it has an acceptable impact with regard to the relevant considerations outlined in this letter. Any application which is forthcoming would need to be accompanied by a set of to scale floor plans and elevation plans."
