

Appendix A – Climate Change Statement

Name of	Ms Sophie Butler
Site Address	 14 Wilson Road, Mirfield WF14 9AX
Description of	Small side extension to form toilet & store.

Please respond to the following questions considering the measures set out in the Climate Change Guidance note:

Q1: What measures have been/will be taken to reduce the energy demand associated with your propos
(See section 2)

All main aspet windows face due south, almost no windows to the north
thus gaining maximum heat to all rooms
Good thermal insulation and low energy light fittings

Q2: What measures have been/will be taken to limit the carbon consumed through the implementation and construction processes
sourcing materials locally? (See section 3)

Q3: What measures have been/will be taken to utilise renewable or low carbon energy sources? (See section 4)

Use second hand reclaimed stone walls

Q4: What measures have been/will be taken to ensure the building design and layout has been optimised to energy efficiency bey Building Regulations ? (See section 5)

All main aspet windows face due south, almost no windows to th

Q5: What measures have been/will be taken to reduce potential impacts of flooding associated with your proposed development? (See section 6)

not in a high risk flood zone

Q6: What measures have been/will be taken to reduce water stress associated with your proposed 7 and 8)

none

Q7: What measures have been/will be taken to provide biodiversity net gains? (See section 8)

re-use rain water

Q8: What measures have been/will be taken to reduce air pollution associated with your proposed development? (See section 9)

Energy effgicient heating equipment
