<p>Im extremely concerned about the sheer size of the proposed planned development, it will have an overbearing effect on all surrounding properties taking light and privacy from all paries, but im aware the proposer has a house within the boundaries, and it seem gas no care regarding this.</p> <p>I feel it will cause detrimental damage to the local wildlife , a pond within meters of the building work houses newts and frogs, and theres bats and hedgehogs ,aswell as pheasants thats visit on regular basis , ALL these will be directly affected by any building work , i hope these concerns will be be taken seriously</p>
