

**Consultation Response from KC,
Lead Local Flood Authority**

2025/92541 Land off, Roslyn Avenue, Netherton, Huddersfield, HD4 7EW

**Operational development to create development plateau comprising land level changes,
highways construction, utilities diversions and drainage construction**

Date Responded: 12/12/2025.

Responding Officer: Martin Stephenson

Responding Ref: 1

Documents reviewed by the LLFA:

Elston Engineering:

- EE100008-300, Proposed Drainage Scheme Plan, Rev P3 dated 21/10/2025.
- EE100008, Surface Water Management Plan, Rev A dated 08/10/2025.
- EE100008, FRA & Drainage Strategy Report, Rev B dated 22/07/2025.

Drainage Summary:

The LLFA confirms that the above documents are acceptable (including the proposed temporary surface water drainage proposals prior to completion of the permanent drainage) and that the proposed enabling works can be constructed.

Kirklees Flood Management and Drainage as the Lead Local Flood Authority, SUPPORTS this application and has no recommended drainage conditions.
