Town and Country Planning Act 1990

Town and Country Planning (Development Management Procedure) (England) Order 2015

REFUSAL OF PERMISSION FOR DEVELOPMENT

Application Number: 2025/62/92561/W

In pursuance of its powers under the above-mentioned Act and Order the KIRKLEES COUNCIL (hereinafter called "The Council") as Local Planning Authority hereby refuses to permit:-

ERECTION OF TWO STOREY REAR EXTENSION, DORMERS TO FRONT AND REAR, HIP TO GABLE ROOF ALTERATION AND ASSOCIATED WORKS.

At: 3, KINGSLEY AVENUE, CROSLAND MOOR, HUDDERSFIELD, HD1 3SR

In accordance with the plan(s) and applications submitted to the Council on 12-Sep-2025, except as amended or specified, details of which can be found in the table below. The reasons for the Council's decision to refuse permission for the development are:

1. Due to the design and scale the proposed extensions and alterations would not form subservient additions to the property and would result in an unsympathetic appearance which would be harmful to the character of the host property and the surrounding area. To permit the proposals would be contrary to Policy LP24 of the Kirklees Local Plan, KDP1 & KDP2 of the House Extensions & Alterations SPD and advice within Chapter 12 of the National Planning Policy Framework.
2. Due to its scale, design and location, the proposed rear extensions would create an unacceptable overbearing relationship to the occupiers of no.5 Kingsley Avenue. To permit the development would be contrary to Policy LP24 of the Kirklees Local Plan, Key Design Principle 5 & 6 of the House Extensions and Alterations SPD and Chapter 12 of the National Planning Policy Framework.

3. Due to its scale and proximity to the common boundary with 5, Kingsley Avenue, the proposed rear extensions would create an unacceptable overshadowing relationship to the occupiers of no.5 and would result in the detrimental loss of natural light received to the dining room and bedroom windows. To permit the development would be contrary to Policy LP24 of the Kirklees Local Plan, Key Design Principle 5 & 6 of the House Extensions and Alterations SPD and Chapter 12 of the National Planning Policy Framework.

NOTE: Due to its location, a bat roost may be present on site. Bats are a European protected species under regulations of the Conservation of Habitats and Species Regulations 2017. It is an offence for anyone intentionally to kill, injure or handle a bat, disturb a roosting bat, or sell or offer a bat for sale without a licence. It is also an offence to damage, destroy or obstruct access to any place used by bats for shelter, whether they are present or not. If bats are discovered on site development shall cease and the applicant is advised to contact Natural England for advice.

Appeals to the Secretary of State

- If you are aggrieved by the decision of your Local Planning Authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under section 78 of the Town and Country Planning Act 1990.
- As this is a decision for a householder application, if you want to appeal against your Local Planning Authority's decision then you must do so within 12 weeks of the date of this notice.
- If an enforcement notice is served or has been served relating to the same or substantially the same land and development as in your application and if you want to appeal against the local planning authority's decision on your application, then you must do so within:
 - i) 28 days from the date of this notice where the enforcement notice has been served,
 - ii) 28 days of the date of service of the enforcement notice or,
 - iii) 12 weeks of the date of this notice,which ever period expires earliest.
- Appeals must be made using a form which you can get from the Secretary of State at Temple Quay House, 2 The Square, Temple Quay, Bristol BS1 6PN (Tel: 0303 444 5000) or online at [the Planning Inspectorates Website](#) . Further information on the Planning Appeal process can be found online at [the Planning Inspectorates website](#).
- You must use the correct Planning Appeal Form when making your appeal. If requesting forms from the Planning Inspectorate, please state the type of application that the appeal relates to so they can send you the appeal form you require.
- The Secretary of State can allow a longer period for giving notice of an appeal, but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.
- The Secretary of State need not consider an appeal if it seems to him that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.
- In practice, the Secretary of State does not refuse to consider appeals solely because the Local Planning Authority based their decision on a direction given by him.

Please note, only the applicant possesses the right of appeal.
